New Staff

Employment Consultant

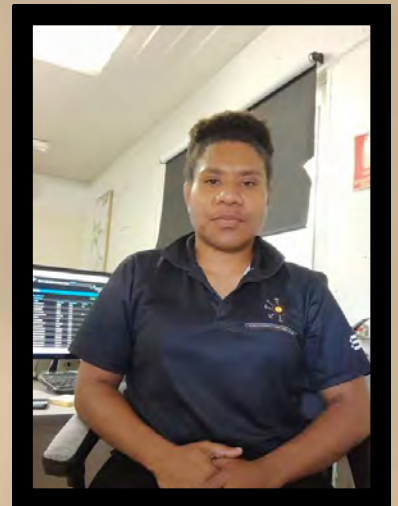

Welcome to Warren McLeod, originally from New Zealand and in Australia for 12 years now! New Employment Consultant in Mount Liebig with 16 years of experience in Disability Services Warren brings a High Level of support skills to his new role. He is also very handy with woodwork project.

Employment Consultant

From Papua New Guinea, Natasha is experienced with research, administration and Data, worked for National Parliamentary Service, Government and Private Organisation. Natasha is highly motivated and is looking forward assisting our communities with her new role as an Employment Consultant.

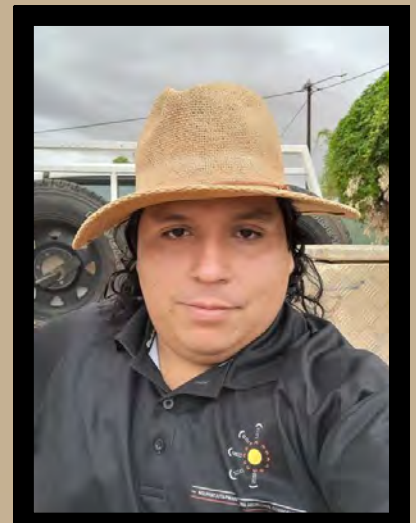

Project Lead

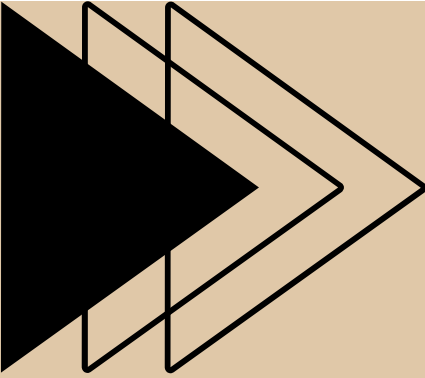

With more than 40 years of experience in the automotive industry, trainer for 20 years throughout the Northern Territory and a hard work attitude, Grant is the one that will lead all our projects in Communities. Reach out with him, have a chat and talk about anything you wish to see happening, and he will help you to make it happen.

Maintenance Officer

Andre arrived in Australia in 2016, with versatile skills. Indeed, back in Venezuela he was in charge of the international exportation of traditional and cultural products. Once here, he then started to work in multiple warehouse and administration role. But Construction was what he really wanted to explore. He is now the maintenance officer for the CDP and work hard on different jobs through communities.

What's happening ?

NYRRIPI

They were here!

Drive Safe NT was at Nyirripi in March!
Learner and Provisional Licences were handed to the one who needed it. They have all completed with success their driving lesson and we will soon see proud members of Nyirripi on the road.

A peaceful Place to Be

We can hear the birds singing and see the plants growing at Nyirripi!!

Handmade bird bath, recycled tyres for garden beds, created with a lot of love from the Job Seekers at Nyirripi. All this effort, allow us today to enjoy a little peaceful area at your CDP Centre.

Come and have a seat, chat with your neighbour and enjoy a nice Tea and biscuit with us!

We don't change the good habits!

It is not anymore a scoop, and we all know about this famous BBQ going on every Friday at your CDP Office. Don't miss a cheerful moment at the end of a hot and hard week and come to enjoy nice food with everyone.

What's happening ?

PAPUNYA

Bed Framing!

With the supervision of Clayton, the men are framing anything you need! You too, you can come, frame and weld your own furniture. Located at 445, tools and equipment are provided to anyone who wish to participate to this activity. You will be surprised of what you can do!!

Recycled Garden Bed

Amazing how recycling old tyres can be! The men have created a new, personalized garden bed. Your turn to come, plant, and grow flowers, veggies, native plants. Teach, learn, improve or share your skills in gardening with your community.

BE READY FOR GARDENING ACTIVITIES!!

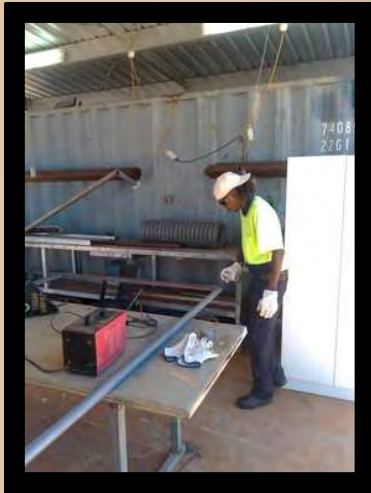

Another Nice Moment of Sharing

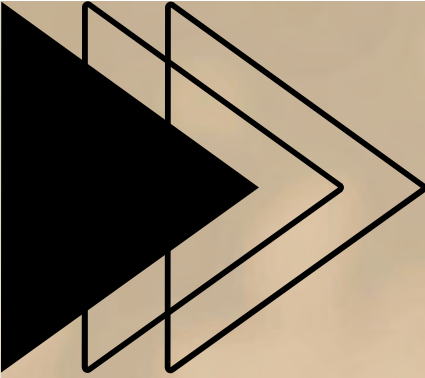

Did you miss the BBQ organised by your CDP?
No worries, it is EVERY Friday!

Kangaroo tail, sausage, salad, tomatoes, onions....

What could we need more?
Between the food preparation, creation of firepit, and cooking everyone is busy on Friday.

Come around and bring your cooking skills, share your stories, and enjoy a nice end of the week with us!

What's happening ?

KINTORE

Maintenance at Kintore?

Andre (maintenance officer), and Ashley (CDP Men Supervisor) are here to sort that out.

These two make the perfect pair. They are working hard to complete any maintenance needed. Many jobs are to be done... Fencing, equipment maintenance, landscaping, install shading sheets...

Sharing Meal is Sharing Life Together

With Mary our CDP Women Supervisor, a cooking activity was held at your CDP Office.

Wondering what was for Lunch? Sausages, tomatoes, onion, salad... prepared and cooked with love by Mary and Rebecca.

Cooking activities are often proposed by our CDP, and everyone is welcome to join and enjoy a nice moment.

Upcoming Activities

Your CDP Office, Mary and Ashley will be here to assist you with all activities between 9am and 11am every business day.

Between Men activities and Women activities, there is a lot. Welding, landscaping, maintenance, vegetable garden, cooking, chicken coop, eggs collection, painting... Bring your skills and knowledge, learn from others at your CDP Office.

Project updates

Papunya Shed

Here it is, ready to go!!

Papunya Shed is now ready to hold training and activities. Built for this purpose, this shed is yours.

Grant, our Project Lead Coordinator, is here to help in the fit-out project. You can meet with him and talk about any training you are interested in, but also about any idea you wish to see happening in this shed.

So, come and have a look, bring your touch to the final details of the construction, and enjoy this area for you, your skills and creativity.

Nyirripi Old Gym Renovation

Big Project in the radar for Nyirripi!!

Big work coming, lot of trainings, and renovation for this Old Gym Building. In fact, it will become a HUB for the whole community.

Gym, music rooms, self-defence classes, meditation space, creating a piece of everything Nyirripi deserves to have, including community garden with tranquil, open plan outside area.

All this will be created and built with you, because it will be your space.

If you believe you can't do it, knows that it takes only a bit of motivation, determination and love to create a masterpiece where everyone will be able to enjoy and be proud of.

Big Congrats to Lornie MULTA!

Achievement of Certificate II

It was one of these regular days in Haasts Bluff. Lornie was attending her monthly appointment with Ngurratjuta CDP, and expressed her wish to obtain a Certificate in Retail. Our CDP Team advised her about our joint collaboration with the local shop of the community and the possibility for her to enrol in studies.

On the 6th of March 2023, she started her course with Outback Store, Tammy and her team trained her, mentored her, and helped her out with everything. And here she is, standing proud with her New Team and her Certificate II as a Retail Assistant.

Because everyone can have a successful story to tell about themselves, knows that Ngurratjuta joint with Outback Store can help to achieve it.

Do you need to get Back on Track?

DASA will be coming to your community in July!
If you need to get back your Driver Licence, please see your CDP Office who will be able to give you the future dates of DASA coming to your community.
Don't Drink, and Drive!
Get back on track with DASA.

Are you interested in Retail?

We are all used seeing our local store being crowded and in need of support. Become a Retail Assistant and give the best customer service to your community.

Support your store and your community members, get a Certificate in Retail and start a career that matters to your community.

Don't hesitate to present yourself at your local Outback Store to catch the opportunity to get a certificate and work in retail.

Did you Know?

A Welding Course will be held by Train Safe in Papunya and Nyirripi. Learn skills, improve your competency, or even start a new career.

Welders are sought after, especially in remote areas.
Become The Qualified Welder of your community!

Don't miss it and be present in June for your training.

Training

In Need of a Driver Licence?

Everybody needs a Driver Licence, especially when we are living in a remote community. Drive Safe NT was at Nyirripi not that long ago and will come to your community soon.

So, be ready to pass your learner, provisional or to renew your driving licence.

Training will be held at your CDP Office.

Want to learn?

NINTI Training is specialised in remote delivery trainings.

They cover many subjects that could interest you.

Ngurratjuta and Ninti Trainings are doing their best to provide communities the best programs.

First Aid, Primary Health, Vocational Pathways, Disability Care, Aged Care, Mentoring, Literacy Reading and Numeracy...

Become a support for your community services and start a career that matters for you.

Coming up!

Civil Train will be in your community to provide Civil Construction Trainings.

The program will be delivered soon and will provide many different topics such as: White Card, Welding, Hand & Power Tools, Operate Small Plant and Equipment...
